IMPACTX FOUNDATION CELEBRATES EID AL ADHA IN BANGLADESH .

Bright media news

May 28, 2026

On 28 May 2026, Bright Hub Pro celebrated Eid-ul-Adha in Dhaka with a spirit of unity, gratitude, and community engagement. The occasion provided an opportunity for team members and stakeholders to come together, exchange Eid greetings, and reflect on the values of sacrifice, compassion, and social responsibility that define the festival. As Bright Hub Pro continues to strengthen its commitment to innovation and sustainable development, the organization remains focused on advancing AI-driven solutions and impactful waste management initiatives across Bangladesh, contributing to a smarter and cleaner future for communities nationwide.

BUILD A STRONG COMMUNITY TO SUPPORT THE DEPRIVED CHILDREN

ImpactX Foundation continues its mission to build a strong and compassionate community dedicated to supporting deprived children. Through collaboration with volunteers, donors, educators, and community leaders, the Foundation works to create opportunities for education, skill development, and a brighter future for underprivileged children.

By bringing people together around a shared purpose, ImpactX Foundation aims to ensure that every child has access to the support, resources, and encouragement they need to reach their full potential. Together, we are creating lasting impact and helping build a more inclusive and hopeful future for the next generation.

Welcoming Ambassadors for to be part of ImpactX Foundation

ImpactX Foundation is proud to welcome a number of well-known media personalities and celebrities as Ambassadors of the Foundation in Dhaka. Their participation reflects a shared commitment to creating positive social impact and supporting initiatives focused on education, youth development, technology awareness, and community empowerment.

By joining hands with ImpactX Foundation, these ambassadors will help raise awareness about the Foundation's mission, inspire greater community engagement, and encourage support for deprived children and vulnerable communities. Their influence and dedication will play an important role in expanding the Foundation's reach and strengthening its efforts to create meaningful and lasting change.

ImpactX Foundation looks forward to working closely with its ambassadors to build a brighter and more inclusive future for all

A Message from the Blockchain & AI Expertise

Explore the future with UK expertise in Blockchain and AI. From financial innovation to smart automation, the UK leads in cutting-edge research and practical solutions. Join us in unlocking global opportunities, driving digital transformation, and shaping a smarter, more secure tomorrow. Stay connected with the pioneers redefining technology across industries—powered by British innovation and excellence.

ImpactX Foundation Empowering Children Through AI & Technology Education

ImpactX Foundation is committed to preparing the next generation for a rapidly evolving digital world by introducing children to technology and artificial intelligence (AI). Recognizing the growing importance of digital skills in the future workforce, the Foundation aims to create opportunities for young learners to understand, explore, and responsibly use emerging technologies.

Through educational programs, workshops, innovation labs, and interactive learning experiences, ImpactX Foundation seeks to make AI and technology accessible to children from diverse backgrounds. The initiative focuses on developing digital literacy, creative problem-solving, critical thinking, and innovation skills that will help young minds thrive in the modern era.

By fostering curiosity and technological awareness at an early age, ImpactX Foundation aims to inspire future innovators, entrepreneurs, and responsible digital citizens. The Foundation believes that empowering children with knowledge of AI and technology today will contribute to a more inclusive, sustainable, and technology-driven future for Bangladesh and beyond.

As part of its long-term vision, ImpactX Foundation looks forward to collaborating with educational institutions, technology companies, industry experts, and community organizations to expand access to quality AI education and create meaningful opportunities for the leaders of tomorrow.

PROMOTING IMPACTX FOUNDATION IN MALTA

As part of its international outreach efforts, ImpactX Foundation is actively promoting its mission and initiatives in Malta. The Foundation is engaging with educational institutions, community organizations, technology professionals, and social impact leaders to build meaningful partnerships and expand its global network.

Through these efforts, ImpactX Foundation aims to showcase its work in youth empowerment, technology education, artificial intelligence awareness, and sustainable development initiatives. The Foundation is particularly focused on creating opportunities for children and young people to develop future-ready skills in an increasingly digital world. By strengthening connections in Malta, ImpactX Foundation hopes to encourage knowledge exchange, collaborative projects, and cross-cultural learning opportunities that will benefit communities in both Malta and Bangladesh. This initiative reflects the Foundation's commitment to creating a positive global impact through education, innovation, and social development.

Impactx Trustees Meeting

ImpactX is entering a new phase of growth by actively engaging with technology and artificial intelligence (AI)–driven businesses. As digital transformation reshapes global industries, ImpactX recognizes the importance of adopting advanced technologies to enhance efficiency, innovation, and long-term sustainability. Through strategic collaboration with tech and AI enterprises, ImpactX aims to integrate intelligent solutions into its business ecosystem. These initiatives will focus on data-driven decision-making, process automation, smart analytics, and scalable digital platforms that support operational excellence and business expansion. This engagement with technology and AI reflects ImpactX commitment to forward-thinking leadership, continuous improvement, and building future-ready business models. As we move ahead, ImpactX looks forward to partnering with innovators, startups, and technology leaders to create sustainable value and unlock new opportunities.
